To the Honorable John A. Kelly Judge
of the Circuit Court of Lu County Va.

Humbly complaining your orator
William P. Wood would respectfully show
to your Honor that one James B. Burnett
lately departed this life intestate, that ^{at} his
death he was possessed of a small personal
estate and a lot or parcel of land situ-
ated some two miles west of Jonesville contain-
ing about $1\frac{3}{4}$ acres, on which ~~there~~ is erected
a good store and dwelling house, said

state where said Burnett resided be-
fore he came to this County but as to this
fact your orator has no certain knowl-
edge, the other heirs of the said Burnett
except his said widow are unknown
to your orator, your orator will now
show to your Honor that the said Bur-

The personal estate of the said Burnett is wholly inadequate to pay said debt. and the object of this bill is to subject the real estate above referred to to the payment thereof. The said Nancy J. Burnett the widow of the said James B. Burnett is entitled to dower in said real estate but she is willing that the same may be sold and she compensated out of said sale for her dower. The said Burnett at his death owed no other debts unless it was a small doctor bill and his burial expenses.

The object therefore of this bill is to ^{have} the administration account of the said Nancy J. Burnett Administrator of

The deposition of P. B. Cecil
taken at the Clerk's office of Lee Circuit
Court on the 1st Aug 1886. the time
of taking an account in the above
styled Cause -

Said P. B. Cecil being duly sworn
deposes and says.

I know the fact, that James B.
Burnett was at the time of his
death and had been for about
one year. engaged in the business
of merchandising in a small way.
I further know that the said Bur-
nett purchased the goods used
by him or a large part thereof
from Wm. D. Wood, I was present
when Mr. Burnett purchased his
first bill of goods, and as I was
at the time working for Mr. Wood
I helped fill said bill, it amounted
as I recollect to about \$180.⁰⁰ (I see
by an inspection of Mr. Wood's book which
is in part my own hand writing that
said bill amounted to \$183. Said Bill
was purchased on a credit. In a

conversation with Mr Burnett at
that time he told me that Mr Wood
was to furnish the goods and that
Mr Burnett was to sell them on
commission, getting for his trouble
after accounting for the goods one
half of the profits. I saw him get
goods from Mr Woods several
times afterwards. I have dealt
with Mr Wood for several years
as a merchant, and have
had several settlements with
him. I always found his book
correct in all particulars, both
as to charges and credits. I have
also been present when he has
made settlements with other
customers, and I never heard
any of his accounts disputed.
I have this morning compared
Mr Woods account filed with
his bill marked A and found
it corresponds exactly with his
book. I was present about the 1st
of Decr 1884 when Mr Burnett
was making a small payment
to Mr Wood. he then spoke of
his indebtedness to Mr Woods

and promised to pay money
soon, P. B. Cecil,

Nancy J. Burnett Adm'r et al. vs. Jts

To the Hon. John A. Kelly Judge &c.

The undersigned having been appointed and directed by a decree rendered at the March Term 1885 in the above styled cause, "to settle the Administration account of Nancy J. Burnett Adm'r of the Estate of James B. Burnett dec'd, to take an account of the indebtedness of said Estate, and to ascertain what amount will remain in Adm'r's hands after payment of debts, funeral expenses costs of Administration &c &c, and whether or not it will be necessary to sell the real Estate mentioned in said bill to pay the indebtedness &c &c."

Begs leave to report that after advertising and giving notice to the parties known, and using all available means to learn of the whereabouts of the unknown heirs or children of the said Jas. B. Burnett to no avail, I proceeded on the 1st day of August 1885 - at my office in the town of Jonesville to perform the duties

required of me by said decree.

I stated said Court account as will be seen by Statement herewith filed marked "A.B.", which resulted in finding that but a very small sum came to the Court, and that she had overpaid the same by the sum of \$1.44, no commission being allowed; and by reference to Evidence of debts marked X it will be seen that said Estate is in debt to the extent of \$326.⁰⁰, which items are satisfactorily proven to your Court, as is evidenced by affidavits and depositions herewith filed marked Y & D; and from these enquiries it is very evident that the real Estate mentioned in said bill will have to be sold to pay said indebtedness, a small fund will arise from the renting of said real estate which may be applied to the liquidation of said indebtedness, Mr. D. Wood the Plaintiff in this cause assumed control of said real estate and rented the same at the rate of 40¢ per annum

to be paid quarterly, with the understanding
that said renting was to cease at the
end of any quarter, said Wood could
properly be required to cr. his account
with the amount he may realize from
said renting.

The undersigned Commissioner in this cause respectfully reports, that having posted the notices required by the decree rendered in this cause at the August term 1885, he offered, for sale at the January term 1886, of the County Court of Lee County, at the front door of the Court house of said County, and on the first day of said term the lot of land, ^{and} store house & dwelling house thereon in the bill ^{& said decree} mentioned on the terms set forth in said decree, and the plaintiff, Wm D Wood, being the highest bidder became the purchaser of said lot, store house & dwelling house, at the price of Three hundred and one dollars (\$301.00)

The said purchaser thereupon paid to your Commissioner, \$36.00 on the \$54.06, the costs of suit and commissions on sale, ^{& is to pay the parties entitled to the residue of said costs} and for the residue, \$246.94 he executed his bond with J. A. G. Hyatt, security to your Commissioner, to be paid in one, two and three years, in equal installments, with interest from date. The said bond is filed with this report marked "A". Your Commissioner recommends a confirmation of the sale, as the property has brought a very fair price.

The defendant Nancy J Burnett, as widow of the decedent James B Burnett, is entitled to dower in the said house and lot, but was willing that the property should be sold and is willing to accept the value of her dower interest, out of the proceeds of the sale, in discharge of her claim of dower. Your

Commissioner has ascertained by calculation upon
the basis of the table, ^{& rule} laid down by the Legislature
of Va. for the purpose of computing the present
value of ^a life estate or annuity due a person
of a given age. That the said life estate is
worth \$78.63 taking the age of the said widow
to be Sixty one years, which seems to be her
age according to the Census report of this County
made in the year 1880. She will therefore be en-
titled to that sum out of the proceeds of said
sale, which we suppose should be paid her,
out of the first money realized from said sale,
after the payment of costs and commissions, to wit,
with the interest thereon from the day of sale until
paid. Respectfully submitted.
